

STATEMENT

7 February 2017

The Chiropractors' Association of Australia (CAA) has no links to the Australian Vaccination-sceptics Network (AVN). The CAA has requested that AVN remove links to the CAA National website immediately.

Our policy on vaccination is as stated and we are moving forward with this – this policy is publicly available at www.bit.ly/CAAQualityCare. Any further statements on behalf of CAA will be made by CAA.
