## National Development Forum

### *Dr Stephen Franson's Session on Exercise and Movement*

National President of the CAA, Dr Laurie Tassell provides the following statement on Dr Stephen Franson:

“Dr Stephen Franson’s session at the 2013 NDF concerns exercise and movement, for which he is an acclaimed international speaker.”

“Dr Franson will not be addressing in any way vaccination, which is outside the scope of practice of Chiropractic.”

“Dr Stephen Franson has views on vaccination which the CAA does not support.”

“The CAA Board policy is that we encourage Chiropractors to refer a patient to a GP for advice on vaccination.”
